

Amazing is all I can say!!

Dear Dubois Resident,

June Bonier sent me the video on Dubois which I watched this morning. All I can say is, as I watched the video, tears of pride welled up in my eyes. It was absolutely amazing! Obviously I am not a resident of Dubois, but feel that I am in my heart since I have worked with many of you the last few years. The video exuded the pride, warmth and spirit of the town. Whereas I am not privvy to what the other towns sent in to be considered for Top Western Town,

**Dubois will always be  
#1 to me**
